ABOUT THE STATE
H. S. Peck of Burlington, will be the
Memorial day orator in Waterbury this
year.

Bristol is now the home of three mem-
bers of the legislature of 1908-9: E. B.
Palmer, Bristol; L. C. Bain, Lincoln; B.
C. Fuller, Starksboro.

The farmers in Middlebury and vicinity
began their spring plowing Friday,
the first time in two or three years that
they have been able to begin so early.

The old sign of the Eagle hotel at Or-
well, bearing date of 1816, has been taken
down, and it was proposed to send it to
New York. As it bears the Masonic
emblems, an effort is being made to
keep it for Orwell lodge which had rooms
in the hotel.

Percy A. Robbins of the federal im-
migration service, stationed at New-
port, has been appointed chief of the of-
fice at Fort Huron, Mich., and left for
that place last week. Mr. Robbins will
have right sub-inspectors and will re-
ceive an increase in pay from his pre-
sent situation.

P. H. Lalor, proprietor of the Brandon
Inn at Brandon, opened the Inn to
the public this morning. The Inn has
been closed the past month and the
proprietor did not intend to reopen until
June 15. The Douglas house in that
town was destroyed by fire last Satur-
day morning.

The Rev. George Pomfrey, pastor of
the Baptist church at Brandon, has no-
tified the members of this parish that
his resignation will have to be consid-
ered as final to take effect May 1. At a
meeting later the church voted to accept
the resignation. Mr. Pomfrey goes to
Vergennes and will have charge of the
churches of Vergennes and Panton.

Prouty & Miller will have delivered
at Newport three million feet of hard-
wood and four million feet of soft wood
logs the coming season. This is consid-
erably more than usual and is required by
the increase of business. The steamer
John A. will not be used this season and
all towing will be done with the new
gasoline tug.

A. W. Coote, the new chief of the fire
department at St. Albans thinks that it
would require at least \$5,000 to put
the department on a substantial foot-
ing and recommends the purchase of a
new hook and ladder truck to cost \$2,
300, a combination chemical truck of
cost \$1,300; fifteen hundred feet of
new hose to cost \$975 and a pair of
horses at \$250.

Lake Raponds in Wilmington will
have a boom as a summer resort the
coming season. The hotel and cottages
which have lain idle two years will prob-
ably be reopened and several new cot-
tages erected by private parties. Exten-
sive improvements on the hotel prop-
erty are planned by V. L. Adams to whom
the stockholders have transferred it.

Clinton Cary, the ten-year-old son of
Mr. and Mrs. George C. Cary, of St.
Johnsbury, fell while playing in the
barn Saturday striking on a large wire
that was used to bale hay, and the wire
was driven two inches under his scalp,
making a very ugly wound. When
found by his mother the wire appeared
to have been driven through the boy's
head. It was very rusty, but no serious
complications are looked for.
